FUNDING APPLICATION AND GUIDELINES 2012

NATO CHARITY BAZAAR

The NATO Charity Bazaar (NCB) ASBL has been holding its yearly charity event since 1968. Although we raise funds throughout the year, the annual NCB Bazaar is the social event of the year within NATO's international community. Participants in the annual Bazaar are the member nations of NATO as well as the Partner-for-Peace (PfP) nations. In 2011, 36 nations were represented.

CHARITY SELECTION PROCESS

• **Two categories of projects are funded:**

- o Belgian charities (35% of proceeds) and International Charities (65% of proceeds).
- o Emergency requests: These donations are for exceptional or extremely urgent cases. The requested donation should not exceed the amount of €2.000. The donations are made throughout the year.

Factors taken into account when selecting charities for donation:

- We only consider the funding of requests from organizations which:
 - o are non-profit (ASBL or VZW if located in Belgium), non-governmental organizations which have been officially registered as such for at least one year
 - o are small, independent organizations (those which are NOT a branch of a large parent organization) with a maximum income of €300.000 per year
 - o exist (or are based) in a NATO country, a NATO PfP country or a country where NATO is currently engaged (i.e. Afghanistan)
 - o **have NOT** received funds from the NCB for at least two complete calendar years (for example, an organization that has benefited from funds raised at the 2011 Bazaar is not eligible to apply again before 2014).
- Application forms must be complete. All questions and requests for explanation **MUST** be addressed. **FAILURE TO DO SO WILL RESULT IN DISQUALIFICATION OF THE APPLICATION.**
- To be considered a Belgian charity applicant, the organization must exist (or be based) in Belgium.

Charity Funding Applications

Katia Abinader

- We fund projects which:
 - are small, specific projects which will be completed during the donation year (2013).
 - cover the widest spectrum of the community, and when completed have a long term impact and are of benefit to as many people as possible,
 - primarily benefit NATO countries, NATO PfP countries, and countries where NATO is currently engaged (for example in Afghanistan). However, we do not exclude projects from other geographic locations.
- We do **NOT** donate funds for the following expenses:
 - salaries for the daily staff nor daily running costs of the applying organization
 - publishing fees for advertisement purposes, nor for media related fees (web design, radio/TV advertising, radio/TV programs)
 - transportation modes (bicycle, scooter, motorcycle, car, bus, train, boat, airplane)
 - transportation costs (including gasoline, tickets and the hiring or leasing of transportation)
- The maximum amount donated is **€10.000** (euros), however we always strive to give the smallest amount required to make the project viable.
- The NATO Charity Bazaar members vote on the final list of charities to be funded + amounts to be donated.

APPLICATION PROCESS

- Submit a completed electronic version of this form (rename the file to include the name of your organization) in **Word format only (no pdf versions)** by e-mail ONLY to charity@natocharitybazaar.org.
- REMEMBER: Rename the application file to include the name of your organization
- The subject line of the email MUST include the name of the applying organization.
- Direct any questions by e-mail to charity@natocharitybazaar.org, Attn: the Charity Coordinator.
- Proposals are due by **1 MAY** of each year. If funding is awarded, the funds will be transferred in December 2012 with a Donation Ceremony in January 2013.
- Receipts for goods purchased with funds are required.
- All Belgian charities will receive a personal visit from a representative of the NCB.
- All correspondence must be in English or French unless otherwise stipulated.
- Failure to provide ALL of the information requested will result in the disqualification of the application.
